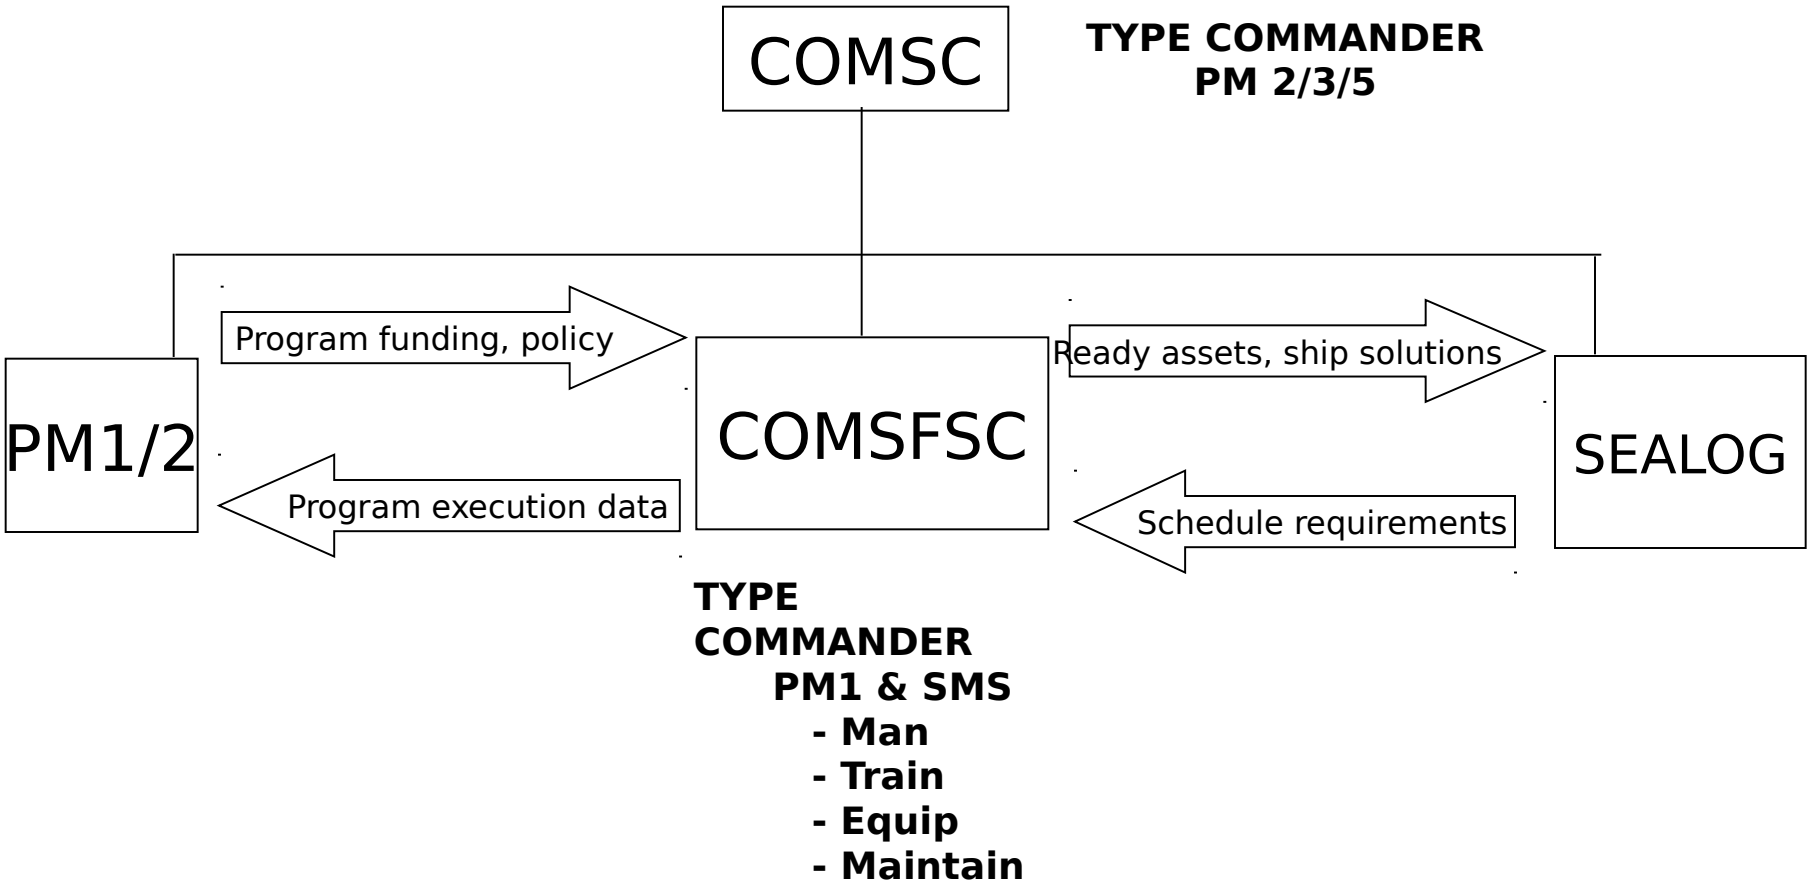
COMMAND OVERVIEW

MSFSC Mission

To execute Type Command functions to man, train, equip, and maintain MSC Government Owned Government Operated ships worldwide and support other MSC assets as directed by COMSC

Relationships



Gained efficiencies…

- Cost wise readiness (get right level of readiness at the right cost to afford the right force)
- Single worldwide visibility of all major cost centers
- Standardized processes and practices
- End to end process analysis
- Consistent policy and execution

  - i.e. streamline M&R implementation (spec development & QA, M&R oversight, logistics)
- Integrate CIVMAR program with other TYCOM functions
- Improve knowledge sharing
